

**REMARKS**

**Claim Rejections**

Claims 1 and 5-7 are rejected under 35 U.S.C. § 102(b) as being anticipated by Ying (U.S. 6,353,443). Claims 2-4 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claims 8-13 are allowed.

**Drawings**

It is noted that the Examiner has accepted the drawings as originally filed with this application.

**Claims**

By this Amendment, Applicant has canceled claims 1-7. Claims 8-13 are allowed.

Since only claims 8-13 remain in this application, no detailed discussion of the cited prior art references is believed to be necessary .

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: April 11, 2005
